The author, the Institute for Economic Democracy as publisher in association with Earth Rights Institute, and their officers and supporters, specifically retain full rights to this and other published research so that others may use it, correct it, expand upon it, and produce an ever-more powerful and workable plan for world peace through economic justice and elimination of poverty. At only the cost of alerting others to this unique research, universities and serious progressive groups within the developing world will be granted the right to expand upon this work, translate, and publish. Please request the latest manuscript.
