Manufactured in the United States of America

ACKNOWLEDGMENTS

In the preparation of this book I am chiefly indebted to Michigan State University for a sabbatical leave which gave me the time for the necessary research, to the American Philosophical Society for a grant in aid of research, and to the Schalkenbach Foundation of New York for a copy of the *Land Song*. I also wish to thank the *American Journal of Economics and Sociology* and the *American Quarterly* for permission to reprint portions of articles which they originally published.
