Single Tax Plan Popular in Spain

Banquet Given in Honor of **Henry George**. Madrid, February 25.

In Spain, where the multiplicity of taxes is notorious, a single tax movement has been gaining ground recently. Not long ago a banquet was given by the Single Tax League in honor of **Henry George**, this being the first function of the kind that has ever taken place in Spain. It was decided to call an international congress to meet at Ronda next May, for which an active propaganda is now being made.
